### **Allied Pixel Open House Draws Record Crowds**

**MEDIA, PA – (June 2008)** Allied Pixel had a record turnout for its open house on June 12. Their newly refurbished, 9000 square foot production facility was the location for the celebration. Throughout the evening tours were offered showing the facility and its equipment, as well as an opportunity to meet the staff. The latest technology was on display, including high definition acquisition and post production equipment. Friends, family and clients from four states and across the industry were on hand for the catered affair. The successful event went well into the night, far beyond its 8 p.m. scheduled close. Allied Pixel inscribed mugs were given as a parting gift to those in attendance.
