Allied Pixel Hires Jay Lubragge

MEDIA, PA (March 2010) – It’s been a busy quarter for hirings at **Allied Pixel**. Former production intern **Jay Lubragge** has joined the staff as Teleprompter Operator/Rental Assistant. Jay graduated in 2008 from Kutztown University with a degree in Electronic Media. He spent the summer of that year in a video production internship at Allied Pixel. Subsequently, he freelanced for half a year as production assistant, grip and prompter operator throughout the Philadelphia market.

Brian Connor, Head of Video Production at Allied Pixel, remarked, “This has been one of our hardest positions to fill. We needed someone who could multi-task and wear many hats. Jay is definitely the best fit. No job’s too large or too small for him.” The company has had positive client feedback on Jay’s knowledge and ability to handle himself. “I’m really happy to be here. I just want to continue to learn and to build the contacts and business relationships I’d started here during my internship,” comments Jay.

About Allied Pixel:

Allied Pixel is a next-generation integrated media production company that specializes in the convergence of video production, Web development and interactive multimedia production. Allied Pixel represents the merger of Haley Productions and RSVP, two media production companies with distinguished reputations for innovation and customer service. As a single entity, Allied Pixel provides unprecedented technical and creative capabilities. Its clients include some of America’s best known companies and institutions. Allied Pixel creates interactive Web sites, mobile applications, web and desktop-based applications, DVDs, CD-ROMs and kiosks - all with a singular passion for its work and dedication to excellence.
