**Allied Pixel launches AssuranceMD website**

MEDIA, PA (July 2013) – Allied Pixel completed a website redesign for AssuranceMD, a leader in the field of medical office management. The site features several novel interactive features, including a Revenue Calculator that estimates the annual savings based on the type of practice, number of physicians in the practice and monthly collections. See the website at [www.AssuranceMD.com](http://www.AssuranceMD.com).

AssuranceMD president Greg Cutrona said, “Our ideas about content, functionality and look were clear to us, but we knew we needed the expertise and experience of a company like Allied Pixel to pull it all together. Their dedicated team worked hard to deliver a website that captures what we set out to do. I couldn’t be happier with the results.”
