**Allied Pixel produces sexual assault education video**

MEDIA, PA (October 2014) – Allied Pixel has produced an educational video on sexual assault for colleges and universities. It is part of Allied Pixel’s Higher Education program. The video addresses a growing problem on college campuses through frank conversation about what is and what isn’t acceptable behavior – and strategies to avoid dangerous situations. Customized versions of the video are being rolled out to colleges nationally. “This is part of our ongoing relationship with partner schools,” says Allied Pixel’s Bill Haley. “We want to help them change attitudes and behaviors for the better.” More information about Allied Pixel’s Higher Education program is at [www.alliedpixel.com/education](http://www.alliedpixel.com/education).
